

Cooking on the Farm

Ages: Children in First through Third Grade

Dates: Mondays, Sept. 12, 19, 26 and October 3.

Time: 4:00-6:00 pm

Fee: \$84

We know that children learn best when their learning is connected to meaningful activities. Your child will experience first hand how delicious foods can be when harvested fresh that day and prepared in a variety of foods. Exciting, hands-on experiences, paired with fall gardening, will give your child an opportunity to perhaps try new foods and see where and how the ingredients grew.

Each day will focus on a cooking activity as well as daily farm chores, horseback riding, and a hike to explore a new area of the farm. In these four classes, children will work on their own individual snacks as well as some group foods and a chance to collaborate with a peer.

There will be snack prepared each class time. We will spend this class outdoors cooking and gardening on the farm. Dress for the weather!
