

“Growing Children” Parent-Child Class

Learn together with your child at The Children’s Farm School

Activities for children and parents include:

- Feeding and caring for the animals
- Gardening and other plant care, indoors and out
- Hiking in our surrounding woods and fields
- Creative art
- Music
- Group and individual learning experiences, problem solving and concept development
- Outdoor play and other exciting challenges

This is a non-separating class for children ages 30 Months-4 years and their parent.

Classes taught by Licensed Parent Educator and Early Childhood Teacher, Jenny Hanlon, M.Ed.

Parents will learn ways to support competence in your child, to nurture innate wonder and curiosity, to help your child learn to be a part of a group of learners, and to encourage helping and caring. We request that the same adult attend each week with your child.

We will be outside in all types of weather, so please dress for the outdoors every day. Our indoor classroom will be used as needed.
