

AFTERNOON DISCOVERY GROUPS

For children completing kindergarten through second grade

All discovery groups include basic farm activities; in addition, each class also features a special area of interest.

WOOL: "From ba-a-a to blanket," hands-on activities from shearing and spinning to fun weaving projects. **June 14-18**

SCIENCE: Each day a special focus with hands-on science projects. **June 21-25**
(Tues-Fri only) **July 6-9**
Aug. 9-13

ART on the Farm: Outdoor art lessons – paint, clay, pastels, "seeing and doing." **June 28-July 2**
(Tues-Fri only) **July 6-9**
Aug. 16-20

COOKING: Cooking with natural grains and farm produce. Learn the fun of making things yourself from scratch; eat your own work. **July 19-23**
Aug. 2-6

WOODWORKING on the Farm: Learn to measure, saw, and pound. Bring home your own project and creations. **July 26-30**

NATURE STUDY: Explore the surrounding woods, meadows and ponds. Discover the wonder of the natural world! **July 12-16**
July 26-30

YOUNG AUTHORS: Writing comes alive as children engage in exciting hands-on activities. Then, while still outside, write and draw their memories. **June 21-25**

YOUNG ACTORS: Work and play with animals, then act and sing about all those great farm stories, even making up a few of your own. **Aug 2-6**

AFTERNOON CHALLENGE GROUPS

For children completing third through fourth grade

HISTORY on the farm: Use tools of old time farmers and pioneers to care for animals and prepare food. Discover how Native Americans lived off the land and what was here before people arrived. **JUNE 28-JULY 2**

SPANISH on the farm: Real farm experiences add meaning to Spanish words and songs. An active learning group makes a foreign language come alive. **AUG. 16-20**
